To Whom It May Concern:

Please accept this correspondence as my endorsement of New Jersey Division of Vocational Rehabilitation HydroSun Farms project, which is embarking on an effort to use hydroponics to enhance the lives of those with disabilities.

This project offers those with disabilities an opportunity to gain experience in the work force and acquire valuable skills that will benefit them in their personal and professional lives.

As a former vocational counselor, I appreciate innovative strategies such as these that educate those seeking to enhance their employment skill level. Therefore, I am pleased to offer my full support for the HydroSun Farms project and endorse their efforts to secure funding that will allow this worthwhile program to continue.

Thank you for your attention to this request and please feel free to contact me if I can ever be of assistance in this or any other matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Mary Pat Angelini".
