Atlantic Highlands, NJ 07716

Dear Hydro Sun Farms,

We want to thank you so much for the four cases of Baby Bok Choy your organization donated to Jewish Family & Children's Service of Greater Monmouth County. They were beautiful and appreciated by 35 family recipients of our food pantry we had on October 18<sup>th</sup>. We included various recipes also in the food packages so they could be enjoyed.

With the many services Jewish Family & Children's Service offer to Monmouth County residents, we rely more and more upon individuals like you to help us meet the growing needs of our community.

We are aware that many local families are struggling with serious financial problems during these difficult economic times. Your generosity helps tremendously in meeting their needs. Thank you again.

Sincerely,

Paul Freedman, ACSW  
Executive Director
